Santa at The Cone

Santa

A magical experience for children and adults of all ages. Children are given plenty of time to chat to Santa and ask him questions about his reindeer; he will then give a suitable gift.

Do bring your own cameras as we are sure that parents will want to see photos of their child with Santa. A led Christmas craft session, in a warm room, will occupy children whilst they are waiting.

Trail

A simple Christmas themed trail, led by your staff.

Hot glass studio

Children will sit and be amazed as our glass blower makes a Christmas decoration.
NB. The Cone can get very cold so children should wear their outside clothes.
