Re: Discretionary Housing Payment

A Discretionary Housing Payment (DHP) is an award of additional financial assistance to help with your rent. The council can make an award if you are unable to meet your eligible housing costs from your available income or savings. To receive an award from us you must live in Dudley and you rent your home from the council, a housing association, a charity or a private landlord.

You may only apply for a DHP if you are getting housing benefit or the housing costs element of universal credit. In most cases, any award of a DHP will be short term to give you time to make changes. This could mean moving to more affordable accommodation, getting help with budgeting advice, adjusting your finances, dealing with a temporary difficulty, finding employment or returning to work. A DHP can be awarded for longer periods however, these will only be in exceptional circumstances.

We do not need to see proof of all expenditure, however, if certain proof is required, as directed on the form, please supply this within 30 days of submitting your application or we will no longer be able to consider your claim. Please complete and return this form in full as soon as possible, along with any required proof of expenditure to:

(Please do not delay returning this form while you are waiting for receipts)
