• Do not use another person’s login details to access ePEP. If you need access to ePEP please contact Dudley Virtual School (contact details at the end of this document).

• ePEP is a secure online system and you will not need to install any software on your device.

• ePEP can be accessed from any computer, laptop, tablet (including iPad) or Smartphone which has internet access.

• ePEP is compatible with most browsers (e.g. Internet Explorer, Safari) but works best on Google Chrome.

• ePEP uses pop up notifications as the PEP is completed. Please ensure the pop up blocker on your device is turned off.

• All activity on the ePEP system is tracked and logged.

• When logged in to ePEP it is recommended that only one window/tab is open at a time. Having multiple windows/tabs open may cause ePEP to drop out without warning and you could lose any data that you have entered.
Your Home page displays all of your learners

Health and Emotional Well Being

Low level behaviour or emotional issues could be an indicator of unmet needs and can impact on the child’s rate of progress. The information given on this section could help to prevent escalation of any issues and enable a focus on appropriate assessment and support.

Using the following criteria please identify, in your view, the level of child’s health and emotional well being:

- **Green** — happy in school, confident socially and developing resilience
- **Amber** — issues affect learning and social interaction but copes well with support and is developing resilience
- **Red** — issues significantly affect learning and social interaction and concerns remain despite support

Add any relevant comments in the text box.

If you have concerns about a child’s behaviour and/or emotional health it is recommended that an Educational Psychologist is consulted. (Further guidance on this is available in other Virtual School publications) or through discussion with the child’s VS Advisor.

Please ensure that any involvement or referrals to specialist support services are recorded on this page and relevant documents are attached.
