

4 Seasons News

for people with learning disabilities by people with learning disabilities

Shine 2017 took place on Thursday 22nd June at Brierley Hill Civic Hall. Lots of groups from around Dudley took part performing and watching the other groups.

Student Nurses from Wolverhampton University came to help DVC on the night. There were VIP area's with snacks for the performers. Everyone seemed to have a great night that came.

Learning Disability Week

There was an employment event in Dudley where people with learning disabilities shared their experiences of employment or trying to get a job with the employers and the job centre.

We held an event on Transforming Care for carers to tell them what is happening locally, regionally and nationally.

Meet the team

Claire Allen is the new project worker for DVC. She started in March.

Claire is really looking forward to working with DVC and meeting people at all the groups in the Dudley area.

Housing and Benefits drop in

We are hoping to hold Housing and Benefits drop in sessions in Dudley.

There will be more information in the next newsletter.
