for people with learning disabilities by people with learning disabilities

Hello. This is our Autumn newsletter.

We all went to London on the 14th October 2016. Everyone met at the Sandwell and Dudley station to get the train to London. We got the underground train to embankment station. We had lunch, after we walked across the Hungerford bridge. We went on a tour of the Houses of Parliament. It was very interesting. The tour guide told us about the history of Windsor Palace and we got to see where the Queen gets ready for parliament. We all enjoyed the day, it was very tiring for all of us.

My name is Pippa, I want to tell you about my job called Pippa's pet treats. I do it on a Friday at Smithfield market in Stourbridge from 10am to 4pm. We are also open Saturdays 9.30am to 1.30pm but at the moment I only work Friday because I need a support worker to help me, my mom and dad started up this business for me because I found it difficult to get paid work, I'd been volunteering for too long and I wanted paid work. We sell natural gluten free dogs treats.

We also sell dog food that is gluten free and wheat free, dog beds and dog toys. We also have natural gluten free cat treats and wild bird seed.
