Dudley Metropolitan Borough Council Adult and Community Learning Team Sub-Contractors Funding 2016/2017

Sub-contracting can be an effective way of enhancing the capacity and diversity of our provision. However during the academic period 2016/2017 we did not utilise sub-contracts to deliver provision within the Dudley borough.

In line with the funding rules of the Education Skills Funding Agency we are required to publish the actual level of funding paid and retained for each of our sub-contractors in 2016/2017

The following table shows this information for delivery of Community Learning provision within the Dudley Borough. Name of Sub-Contractor
