Dear Sir

**Re: STOURBRIDGE YWCA
PREVENTION OF RIGHT OF WAY**

Further to my letter of 11th August 1995. Notices displayed giving the information that the land is private and that there is no right of way have been vandalised and torn down several times.

In view of this I have attached, in accordance with statutory procedure, a notice for alerting the public via the local highways authority.

Thank you for your attention.

Yours faithfully
