4. Do you think tighter planning controls (known as an Article 4 direction*) would help to address some of the issues identified in question 3 and therefore help to improve the character and appearance of the Wordsley Church Conservation Area? (These controls would not prevent development but would require that planning permission is obtained first at no charge to the applicant)

[ ] Yes [ ] No opinion [ ] No

Please state your reason(s).

* The draft appraisal has identified that there are residential parts of the Conservation Area that could be better preserved and enhanced if the local planning authority was to withdraw certain permitted development rights. Article 4 directions are one of the tools available to a local planning authority, their purpose is to restrict the changes owners can make to the outside of their property without first obtaining planning permission. An Article 4 direction does not prevent development but simply requires that planning permission is first obtained; there is no fee payable for a planning application which is required solely as a consequence of the Article 4 direction. An Article 4 direction has been successfully employed in the Love Lane and Mushroom Green Conservation Areas.

Once completed please place in the pre-paid envelope and post it back to us or place it in the collection box located in one of the venue’s listed overleaf.

Thank you for your time.

Your views are needed to help shape the future of the Wordsley Church Conservation Area’s historic environment.

A draft Conservation Area Appraisal and Management Plan has been produced for the Wordsley Church Conservation Area (see map). The appraisal assesses what is special about the historic and architectural character of the Wordsley Church Conservation Area. The management plan identifies what issues are facing the Conservation Area and sets out proposals for action for its preservation or enhancement.

Dudley Council is keen to know your views on the Wordsley Church Conservation Area Appraisal. We would also like your thoughts on the appropriateness of the existing boundary of the Conservation Area, any possible extensions and what issues you believe should be reflected in the management plan.

To view a full copy of the Conservation Area Appraisal and Management Plan you can download it online from Dudley Council’s website by following the link to the Public Consultation - Draft Conservation Character Appraisals: www.dudley.gov.uk/resident/planning/historic-environment or you can view hard copies in one of the following libraries: Brierley Hill, Dudley, Halesowen, Stourbridge and Wordsley. You can also return your completed questionnaire at these libraries.

Please let us know your views on these issues by completing the quick questionnaire opposite, pop it into the prepaid envelope and either post it back to us or return using the convenient collection box located in one of the libraries listed above. Alternatively this can be completed online at www.dudley.gov.uk/resident/planning/historic-environment and follow the link to consultation.

The information that you provide is subject to the provisions of the Data Protection Act 1998. We may share this information with the general public as part of the statutory requirements under the Planning and Compulsory Purchase Act 2004. Your personal details may be shared with other departments and partner organisations to ensure our records are kept accurate and to keep you informed of future consultation documents. Please note that representations will be made available for public inspection, this means that with the exception of telephone numbers, personal email addresses and signatures, your comments and other details that you provide will be publicly available for inspection and will also be published on the internet.

4. Do you think tighter planning controls (known as an Article 4 direction*) would help to address some of the issues identified in question 3 and therefore help to improve the character and appearance of the Wordsley Church Conservation Area? (These controls would not prevent development but would require that planning permission is obtained first at no charge to the applicant)

☐ Yes  ☐ No opinion  ☐ No

Please state your reason(s).

5. The enclosed map shows some additional areas outside of the current Conservation Area boundary that are also considered to be of architectural or historic significance. Do you support the proposal to increase the conservation area boundary to include these additional areas?

☐ Yes  ☐ No opinion  ☐ No

Please state your reason(s) or annotate on the map with suggestions or comments.

6. If you have any further comments to make on the draft Conservation Area Appraisal, please write in the space below. Please feel free to share any local knowledge that may give us a better understanding of the Conservation Area and please do list what improvements you feel could be made to enhance the special character or appearance of the Wordsley Church Conservation Area.

Further comments

* The draft appraisal has identified that there are residential parts of the Conservation Area that could be better preserved and enhanced if the local planning authority was to withdraw certain permitted development rights. Article 4 directions are one of the tools available to a local planning authority, their purpose is to restrict the changes owners can make to the outside of their property without first obtaining planning permission. An Article 4 direction does not prevent development but simply requires that planning permission is first obtained; there is no fee payable for a planning application which is required solely as a consequence of the Article 4 direction. An Article 4 direction has been successfully employed in the Love Lane and Mushroom Green Conservation Areas.

Once completed please place in the pre-paid envelope and post it back to us or place it in the collection box located in one of the venue’s listed overleaf.

Thank you for your time.
