Email enquiries
can be sent 24/7 to community.directory@dudley.gov.uk

People without internet access can visit any Dudley borough library where staff will be pleased to help them search the directory on one of the public access computers.

Dudley Community Information Directory

Your online tool to find out about activities, clubs, support, health services and much more in your community

The directory is managed and maintained by Dudley libraries

www.dudleyci.co.uk
www.dudleyci.co.uk

Dudley Community Information Directory is for everyone. It provides an easy to navigate online directory for Dudley borough and the surrounding areas.

Its search categories are:

- Care and support
- Health and well-being
- Personal assistant directory (employing a personal assistant can provide people with a more flexible way of managing the support they need. The directory includes useful information on employing a personal assistant and a ‘find a personal assistant’ search area)
- Sport and leisure (information on a range of sports clubs, associations and social activities)
- Money
- Employment and volunteering

- Transport
- Housing
- Learning
- Staying safe

How do I use it?

Go to www.dudleyci.co.uk

Once you are on the Dudley Community Information Directory home page, you can either:

- Click on one of the ten search boxes to go through to the appropriate section you require. Within each section there are sub-categories to allow you to narrow your search
- Or you can enter a key word to search from the homepage
- Search the what’s on listings for events going on in the borough

The results you find can be put into a basket, which can be printed or emailed to a friend

You can also send results by text to a friend

The home page also hosts a new facility which allows people to search NHS Choices to find their nearest GP, pharmacy or dentist
