

Street Lighting Column Relocation

This form can be used to request the relocation of a street lighting column.

Depending upon the type and location of your property certain consents may be needed before we can consider your request.

The current typical fee for the relocation of a street lighting column is shown on our website.

A **non-refundable** quotation fee is also payable, this charge is also shown on our website.

If you decide to go ahead with the work, the quotation fee will be deducted from the installation fee.

Following your request we will need to survey the area and will then provide you with a quotation. Please ensure that you provide a **daytime telephone number** below, as we will need to contact you to confirm your consents are in place and take your quotation fee payment.
