We offer a range of swimming lessons which take place during term time in the safe environment of the 25 metre teaching pool. All of our instructors are fully qualified experienced swimming teachers who give encouragement and reassure all nervous children in the water.

Children can start lessons when they are four years old, progressing from total beginners through to stage seven of the ASA National Teaching Plan

Although parents are not allowed to watch the lessons (as this often distracts the child) once a term, one week is set aside for Parent Watch Week, when parents are encouraged to see the progress their child has made.

A range of badges are used which test both skills and stamina of the child. The implementation of the ASA National Teaching Plan ensures that each child progresses through the correct skill and stroke development. All badges can be purchased from reception on production of a pass from the child's swimming teacher.

Some pupils have progressed to represent local Swimming Clubs (Stourbridge Swimming Club). They meet at the centre on a regular basis to train. Several other pupils have further developed to county level and achieved National medals.

Due to the popularity and the success of the swimming lesson programme at the Crystal Leisure Centre, a waiting list is often in operation. To reserve a place, please fill in the form opposite and return it to reception. Once you have enrolled on your first course, you are then given priority during re-enrolment week to re-enrol on the next term's course. Posters will be displayed around the centre to remind parents when re-enrolment week takes place. Dates are also shown within
